During the 71st Sturgis rally this past August, the 1st Annual Biker Belles Ride took place. Biker Belles was created to raise funds for two South Dakota Charities - Helping with Horsepower and Sturgis Motorcycle Museum & Hall of Fame. Helping with Horsepower is a program that helps young women and girls who are at risk or are victims of abuse. The Sturgis Motorcycle Museum is a world-class motorcycle museum that will use the contributions to expand or enhance exhibits that feature women riders and their role in the history and culture of motorcycling.

This month Rod Woodruff, owner of the Legendary Buffalo Chip invited Christine Paige Diers, the Executive Director of the museum to the Chip for the formal presentation of a check from Biker Belles for nearly \$1000.

Everyone at the museum sincerely appreciates the donation and will certainly make good use of the funds to further the information about female motorcycle enthusiast and how they have impacted our great sport.

**Thank you for your support.**
